Our Vision

A Christ-centred Holistic Education for all.

Our Foundation

Lutheran Schools are communities:

- ◊ Of worship and service, sharing and living the good news of Jesus Christ
- ◊ Which acknowledge God as Creator and join in the ongoing creation and care of the world and all people
- ◊ That recognise that God has intentionally created each person and that each person is uniquely gifted to live in relationship with God and others
- ◊ Where grace abounds. While recognising the brokenness of humanity they reflect the unconditional love of the father, revealed through the saving work of his son, Jesus.
- ◊ Are open to the influence of the Holy Spirit, who invites and equips for a life of worship, learning and service
- ◊ That value learning as God's gift to people for their wonder, growth, and to inspire them to respond to the needs of the world
- ◊ Of hope, nurtured by the promises of God's word, love and forgiveness, which empower staff and students to embrace the future with confidence
