

It is a requirement of enrolment at the College that all students wear the College uniform. This is in keeping with our aim of developing, in students, a feeling of belonging and a sense of collective pride, in presenting a positive image to the wider community. For this to happen, students need to have the right uniform and wear it correctly. We therefore ask parents to assist the College staff in ensuring the below expectations are keenly observed.

Prep - Year 5 students may choose from a specific wardrobe of items. Undershirts must not be seen. Shoes must be full black leather, no white soles (see Appendix 1). Sport shoes, on timetabled sports days only, must be predominantly black, white, or navy.

Year 6-12 The winter uniform may be worn all year and could be required for formal occasions during Terms 1 and 4. Undershirts must not be seen. Students may wear their Full Summer uniform during Terms 1 and 4 only including hat. The Year 12 leavers jacket can be worn during Year 12, but the blazer is required at all formal occasions including assemblies and must be available on campus.

- Uniforms must be clean, neat, sized appropriately, and in good repair at all times.
- Additions, alterations, or substitutions are not permitted, except where the prescribed uniform is unavailable, and the Heads of Years or Principal have been consulted.
- Students must wear the uniform on each school day and on official occasions, such as excursions. Middle and Senior Years students are also required to wear the College blazer to and from the College and at Chapel and Assembly.
- Full uniform, including the College blazer, must be properly always worn while travelling to and from school. Full uniform is also compulsory while at school or while attending official College activities. Any extra clothing worn under the uniform for warmth, must not be visible. Shirts will be tucked in under the blazer which is always worn with long-sleeved shirts.
- College hats are worn from September to May.
- If, for some reason, a student is unable to wear full uniform, a note of explanation must be written, with parental signature. It is expected that this will be of a very temporary nature. Students who are out of uniform, even with written notification, may be exempt from certain College activities and excursions.
- Only shoes with non-marking soles are permitted in the College gym.
- Dress/skirt length to the knee.
- All articles of clothing must be clearly marked with the student's name in an obvious and immediately visible position. Permanent name tags are strongly recommended.
- Good News has a Facebook group for college families to buy, swap and sell second-hand uniform. The group is called 'Good News Lutheran College – Uniform Buy, Swap & Sell'. Please send a request to join, as this is a private group.
